EnginuityHelpdesk@ccsww.org

Community Based Organizations began administering YHC Assessments as of April 20, 2015.

- The new YHC website, www.youthhousingconnection.org will continue to be updated with the most current assessment schedule.

To Do

- **Look next week for an updated assessment packet, which strengthens the language to support culturally specific programs in our community.** The King County Office of Civil Rights and the Washington Human Rights Commission have been consulted regarding these changes and are in support of strengthening the questions that maintain these housing resources.
- **All assessors have been given database access.** Please continue to contact CCS with technical issues.
 - **Assessments for young adults who do not consent to the database should be faxed to Samantha at 206-205-6565.**
- **An updated Mobility Request form is available on the YHC website.** Young adults who want to submit a mobility request need to complete a new assessment; locations and times for completing a new assessment can also be found on the YHC website.
- **To schedule a training, either as a YHC Assessor or as a Housing Provider who uses the database, please contact Samantha.**

Awesome Work!

Thank you to Catholic Community Services (Susan, Vincent, Karl, Danielle, and Katie) for your tremendous support in the transition. We are grateful to have you as our partners.
